I CANNANORE DISTRICT

15. Mattanur & 14 Koothuparamba

The name of this constituency may be changed to 'Peravoor' with the following alterations in the proposal.

(a) Chalot Panchayat which is now included in 15 Mattanur may be incorporated with 14 Kuthuparamba. Instead Kanichar and Kolayad Panchayats which is included in 14 Kuthuparamba may be tagged on to 15 Mattanur. Again Kelakam and Kottiyoor Panchayats incorporated in 16 North Waynad (ST) may be added to 15 Mattanur.

B. *Reasons*: Peravur is the central place of Mattanur constituency and therefore the change of name is only reasonable. Kottiyoor and Kelakam which are now included in 16 North Waynad will more conveniently fit in with the 15 Mattanur constituency. North Waynad taluk alone may be retained as a constituency considering its vast extent, back-wardness and special geographical features. Kanichar and Kolayar for geographical and communication reasons will better fit in with 15 Mattanur constituency.

II. KOZHIKODE DISTRICT

30. South Wynad (ST)

The name of this proposed constituency may be changed as Sultan Battery since it is most centrally located and it is the only historical town in the constituency. Moreover the name of the N.E.S. Block is also Sultan Battery.

29. Kalpetta & Sp South Waynad (ST)

Kaniyampetta Panchayat now included in the proposed or yjr proposed South Waynad constituency may be incorporated with 29 Kalpetta & Ambalavayal Panchayat from Kalpetta may be joined to 30 South Waynad.

Reasons : This is more convenient for the inhabitants because of its proximity.

28. *Thamarassery & 27-Kunnamangalam* : The proposed delimitation of the above constituencies is highly inconvenient and unscientific. They may be re-arranged as follows:

Thamarassery

1-Thiruvambadi, 2-Koodaranhi, 3-Kodancherry, 4-Pudduppady, 5-Thamarassery, 6-Omassery and 7-Unnikumlam (which is now put in Balusseri).
Total population 1,34,867, S.C. Population 10,864 8.1%.

Kunnamangalam

1. Kodiyathur
2. Mukkam
3. Peruvayal,
4. Mavoor,
5. Chathamangalam,
6. Kunnamangalam,
7. Kuruvathur,

Total population 1,62,049

S.C. population 15,950
9.76 %

Regarding 22 Balussery and 21 Perambra, the following alterations may be effected and the Panchayats may be re-arranged as follows:—

22-Balussery

- Ballusseri
- Uliyeri
- Antholy
- Chemmancherry
- Nanminda
- Thalakulathur
- Panangad

Total population 1,33,885

Total population 1,66,769

III. MALAPPURAM DISTRICT

33. *Mancherry, 32. Nilambur & 31. Wandur (SC) constituencies*

The Karulai Panchayat which is now included in the proposed 31 Wandur (SC) constituency has to tagged on to the 32-Nilambur constituency as Karulai is geographically and topographically more conveniently placed to Nilambur constituency while Urangattiri Panchayat goes better with 33-Mancherry constituency. The people of these Panchayats prefer very much this proposed change.

VI. ERNAKULAM DISTRICT

80. *Muvattupuzha constituency.*

Elanjil Panchayat proposed to be included in 79 Mulanthuruthy constituency may be delete from Mulanthuruthy and included in Muvattupuzha.

Reasons : Koothattukulam is an important centre and Elanjil and Koothattukulam are closely linked together. (At present both are in Thodupuzha constituency). Both these Panchayats may be taken together and included in one and the same constituency namely, 80 Muvattipuzha.

Instead of Elanji, Thirumarady now included in the proposed Muvattupuzha constituency, may be included in the proposed 79 Mulanthuruthy constituency. This arrangement will be more convenient to the public and also an homogenous arrangement.

68 Ankamali & 77 Perambavoor constituencies

The proposed Ankamali constituency consists of 9 Panchayats with a total population of 1,62,264. The proposed Perambavoor constituency consists of only 7 Panchayats with a population of 1,48,513. Manjappara Panchayat which is in the proposed Ankamali constituency goes with Perumbavoor constituency since Manjappara and Koovapadi Panchayats are closely knit areas and therefore Manjappara panchayat may be included in the proposed 77 Perumbavoor constituency. Instead Parakadavu which is now put in 69 Vadakkkara may be added on to 68 Ankamali.

79 Mulanthuruthy :

Piravom is the most important and historic town in the present Mulanthuruthy constituency. It is the centre of the constituency also. Formerly there was a constituency called Piravom. Therefore we suggest that the proposed Mulanthuruthy constituency may be renamed as Piravom constituency.

72 Ernakulam and 74 Palluruthy constituencies

Divisions 22 and 23 of the Cochin Corporation are proposed for inclusion in the Palluruthy constituency. Both these divisions lie on the south Western part of the Ernakulam city and East of the back waters and as such that is an integral part of the Ernakulam constituency. There is no reason or justification to add these Divisions to the Palluruthy constituency which lie to the West of the back waters far away from Ernakulam. Hence Divisions 22 and 23 of the Cochin Corporation are to be retained in the Ernakulam Constituency.

VII. IDIKKI DISTRICT

85 Pampadumpara constituency

The name of 'Pampadumpara' may be changed as 'Kattappana' as the latter is more important and the central place in the constituency.

The proposed delimitation is reasonable and befitting. Any change in the proposed Pampadumpara constituency would mar the geographical and administrative contiguity. Hence no change.

VIII. KOTTAYAM DISTRICT

About Kottayam district our first proposal is that the *status quo*, may be allowed to continue and the existing delimitation be retained in tact. At present there are 11 constituencies in the Kottayam District. As per the new proposal the number has been reduced to 10 (ten).

The obvious reason for this change may be the reduction in the total population of Kottayam due to the formation of Idikki District—the reduction is only nominal say 27,000 population. At the same time even as per the new proposal there are constituencies, having more than 1,60,000 population like Poonjar, Kottayam etc., in the Kottayam District. So there is no justification in reducing the number of constituencies in the Kottayam District. Therefore our first and emphatic suggestion is that the *status quo*, etc may be maintained as regards the number and boundaries of the constituencies can be allotted to other districts which have comparatively more population.

However if the Commission is not amenable to the above proposal the unwarranted and glaring inconveniences brought about in the case of the following constituencies may be rectified.

94 Palai Constituency:

The existing Palai constituency consists of the Palai Municipality and six Panchayats and it was a homogeneous and compact area. Out of this, the Elakkad Panchayat which is the most populous Panchayat in the constituency is cut off and tagged on to 95 Kaduthuruthy constituency as per the proposed delimitation. Instead of that Panchayat, Kuzhuvanelanc Kidargoor Panchayat from the present Akalakunnam constituency have been added on to Palai. This has destroyed the homogeneity and geographical and topographical compactness and convenience of Palai constituency. There is no scientific basis for this proposed change.

Above all the people of Kidangoor Panchayat do not like to be tagged on to Palai and the people of Elakkad panchayat are very anxious to remain in the Palai constituency. Elakkad Panchayat does not at all wish to be included in the 95 Kaduthuruthy constituency and it was all along with 94 Palai constituency. The Elakkad hills lying north to south on the western boundary separate Elakkad from Kuravilangad and Kanakkari Panchayats in Kaduthuruthy constituency. These hills make communications extremely difficult between Elakkad and Kaduthuruthy.

In these circumstances we make an alternate proposal, that *Elakkad Panchayat may be retained in the 94 Palai constituency as at present and instead Kidangoor Panchayat may be tagged on to the proposed 95 Kaduthuruthy constituency. The population of these two Panchayats is almost equal.*

This is the most hilly and extensive constituency in the whole of Kerala. More than half the area of Meenachil taluk is comprised in the constituency and 75 percent of the area of this constituency is comprised of hills which are 3000—4000 ft. high.

There are very few roads in this hilly area and one can reach the various places only by circuitous roads and pathways. So the proposal to include Elikulam Panchayat to the constituency is highly objectionable as such a change will make it more unwieldy and cause lot of additional inconvenience and difficulties. The people of Elikulam Panchayat were never included in Poonjar constituency and they have no manner of interest in any portion of Poonjar constituency or to the two towns—Poonjar and Erattupetta in that constituency.

The Elikulam Panchayat is comprised in Kottayam taluk whereas the existing Poonjar constituency is comprised in Meenachil taluk. The connections and interests of the people of Elikulam are entirely with Kottayam and they have no interest or stake in Poonjar constituency. *Therefore Elikulam Panchayat may be excluded from the proposed 93 Poonjar constituency and Elikulam Panchayat may be retained in the existing Akalakumam constituency (proposed 92 Puthupally constituency).*

The proposed 92 Puthupally constituency may be named as Akalakumam constituency.

We suggest another minor change also with respect to the proposed Poonjar constituency. Now only a portion of Kottickal Panchayat is proposed to be included in Poonjar. *Instead the whole of Koothickal Panchayat may be included in the proposed Poonjar constituency.*

A rough sketch is attached herewith detailing our suggestions regarding the three constituencies namely Palai, Poonjar and Kaduthuruthy.

9 ALLEPPEY DISTRICT :

As no additional number of constituency is created in Alleppey as per the proposed delimitation it is better to maintain the status quo ante regarding the various constituencies of the District.

The present delimitation of the constituencies is unscientific and inconvenient. We raise the following points to show that the present delimitation proposals are inconvenient and unscientific.

106 Kallooppara, 107 Arunmula & 108 Chengannur constituencies.

The present Kallooppara constituency consists of 9 Panchayats. The total area of it is 169.13 sq. km. It is the biggest constituency in the Alleppey District and major portion of the same is hilly. It is lacking in transport and communication facilities.

Since Ayiroor Panchayat (25.76 sq. km.) which is included in the existing Aranmula constituency is now added to the Kallooppara constituency, Kallooppara has become very extensive and unwieldy (194.89 sq. km.). Instead of Ayiroor, Ala and Venmani Panchayats which have been taken from Chengannoor constituency are now tagged on to the Aranmula. Therefore we suggest that Ayiroor panchayat may be retained in the Aranmula constituency and that Ala and Venmani panchayats may be allowed to continue in Chengannoor constituency and that the status quo ante may be maintained with regard to these three constituencies.

109 Mavelikara.

Thripperunthura and Chennithala Panchayats which are included in the existing Mavelikara is now added to the Chengannur constituency. It is neither scientific nor geographic. So that Thripperunthura and Chennithala panchayats may be retained in the Mavelikara constituency, and Cheppad Panchayat which was added to Mavelikara may be given back to Harippad constituency. Ambalpuzha, Alleppey, Mararikulam and Sherthalai may be retained without any change.

10 QUILON DISTRICT

112 *Pathanamthitta constituency*

The Vallicode Panchayat which is in Pathanamthitta constituency according to the present proposal shall be added to the Konni constituency and the Mylapra Panchayat in Konni which was in Pathanamthitta shall be added again to Pathanamthitta constituency. It is geographically more convenient as Mylapra is very near to Pathanamthitta centre while Vallicode is far away.

According to the above adjustment, population of Konni and Pathanamthitta will be 1,61,023 and 1,35,910 respectively.

If such an adjustment is impossible, at least Mylapra Panchayat should be added to the Pathanamthitta constituency.

117 *Kottarakkara* & 118 *Naduvathoor*

Pooyappilly, Veliyam & Karcepra panchayats may be added to 118 Naduvathoor, and Mylam and Portazhy panchayats may be tugged on to 117, Kottarakkara. It is more convenient and homogeneous.

QUILON DISTRICT

117. *Kottarakkara*118. *Naduvathur*

Melila and Vettikkavala from 117 Kottarakkara should be taken out and included in 118 Naduvathur. Ezhykone and Naduvathur from 118 Naduvathur should be taken out and included in 117 Kottarakkara.

The name of 118 Naduvathur should be changed into Vettikkavala.

According to this suggestion 117 Kottarakkara Constituency will consist of Kottarakkara N.E.S. Block and Oommannoor Panchayat in Vettikkavala Block. This will be a more compact constituency and will have administrative convenience, besides that it will be more or less retain the existing composition of the constituency.

Melila and Vettikkavala which are brought to 118 Naduvathur will make Naduvathur a constituency consisting of the entire Vettikkavala N.E.S. Block. It will have an addition of only one Panchayat viz: Patahi in Pathanapuram N.E.S. Block.

These suggestions will make both 117 Kottarakkara and 118 Naduvathur constituencies more convenient administratively with a better composition.

TRIVANDRUM DISTRICT- DELIMITATION OF ASSEMBLY SEATS

The geography and the communication facilities in Trivandrum District necessitate some minor changes in the draft proposal for some constituencies. Notes are given below for this.

127. **VARKALA.**—The draft proposal for this constituency is correct. The Chemmaruthy Panchayat is in the Varkala N.E.S. Block and is far away from Killimanoor in which constituency this has been included till now. Hence the inclusion of Chemmaruthy in and the exclusion of Anjengo from Varkala is a best suggestion. So the draft proposal is acceptable.
128. **ATTINGAL.**—The draft proposal is acceptable here also.
129. **KILIMANOOR.**—The proposal to include the Mudakkal Panchayat in the proposed Killimanoor constituency creates problems because the Vamanapuram River divides apart this Panchayat from Killimanoor constituency and there are no communication facilities also. When Mudakkal is excluded all other panchayats coming under Killimanoor N.E.S. Block make Killimanoor constituency.
130. **VAMANAPURAM.**—Even though Peringammala Panchayat is a part of Vamanapuram N.E.S. Block this panchayat forms a Plantation belt with Vidhura and Kuttichal Panchayats of Aryanaad constituency. The transport communications can be had only through Vidhura to the Plantation area of this Panchayat. So the inclusion of Peringammala in Vamanapuram becomes a Geographical error and so this may be returned to Aryanaad constituency. Now the population of Vamanapuram decreases so the closest Mudakkal Panchayat may be added to Vamanapuram.
131. **ARYANAD.**—As Peringammala Panchayat is returned to Aryanaad the population increases. To compensate this Vellanaad Panchayat which has been a part of Nedumangaadu constituency may be returned back to Nedumangaad.
132. **NEDUMANGAUD.**—The geography of this area necessitate the inclusion of the Vellanaad Panchayat in Vellanaad N.E.S. Block to Nedumangaad constituency as even now Vellanaad is a part of this constituency.
133. **KAZHAKKOOTTAM.**—The draft proposal is acceptable as this area comprises the block development area.
134. **TRIVANDRUM NORTH.**—The Kadakampally Panchayat is at the western part of the Trivandrum City and it is proximal to the beach divisions and Chakal, Petrah, Divisions. So it is better to exclude it from Trivandrum North. Ward No. 8 Thirumala spoils the Geographical shape of this proposed constituency. Hence Ward No. 8 may be excluded and Ward Nos. 9, 10, 14, 15 from a compact area with Ward Nos. 2, 3, 4, 7 may be included.
135. **TRIVANDRUM CENTRAL.**—Kadakampally Panchayat may be included and Ward Nos. 13, 21 to 34, 39 and 41 from the heart of the Trivandrum City and these may make the Trivandrum Central.
136. **TRIVANDRUM SOUTH.**—The other 16 divisions of Trivandrum Corporation and the adjacent Nemom Panchayat constitute Trivandrum South.
137. **VILAPPIL.**—Kalliyoor Panchayat of the Trivandrum Taluk may be included as this Panchayat extends deep in to Pallichal Panchayat. Because Nemom Panchayat is to be included in Trivandrum South it is only proper to rename this proposed constituency as Vilappil.
138. **KOVALAM.**—Athiyannoor Panchayat is a suburban Panchayat to Neyyattinkara Municipal Town and so it is better to include Athiyannoor in Neyyattinkara constituency. So it may be excluded from Kovalam. It has been proposed to include Kalliyoor in Vilappil and hence to compensate this the Thirupuram and Poovar Panchayats which are border by Kanjiramkulam and Karikulam may be included in Kovalam.
139. **NEYYVATTINKARA.**—The Athiyannoor Panchayat may be include in Neyyattinkara and Kollayil Panchayat may be returned back to Parassala.
140. **PARASSALA.**—Now Kollayil Panchayat is also included as Thirupuram and Poovar have gone to Kovalam.
